Please sign after completing information and reading
procedures listed on back of page.

Please understand Holy Shepherd has the following rules concerning the Drop-off and Pick-up procedures for VBS:

- VBS dinners begin at 5:15 p.m.
- Adults must accompany children into the Fellowship Hall.
- Any student brought into the Fellowship Hall prior to 5:15 p.m. should be supervised until it is time for the dinner (5:15 p.m.).
- The VBS program will begin at 6:00 p.m. If students are not coming for the dinner, adults should walk them into the Fellowship Hall and wait until they have found their groups.
- All VBS students / adults should enter through the Fellowship Hall every day.
- When picking your children up after VBS, you need to meet them in the Fellowship Hall. Children will not be allowed out of the building unattended.
- Please park in the parking lot when dropping off or picking up your child. Please do not park in the Fire Lane (along the sidewalk) or in the handicapped parking spaces unless you need to do so.

Thank you in advance for your support. These rules and procedures are designed to maximize your child's safety and fun.
